

Niagara nominee for Wood WORKS! 8th Annual Awards

(North Bay, Ontario) Wood WORKS! is pleased to announce the nominees for the 8th Annual Ontario Wood WORKS! Awards. The 2008 awards will be presented during the 8th Annual Awards Gala in Toronto on Wednesday, November 12, in the Cohen Ballroom at the Toronto Congress Centre (award presentation at 6:30 pm).

The Wood WORKS! Awards celebrate excellence and innovation in Ontario's wood-based construction and design, recognizing people and organizations dedicated to pioneering and preserving the use of wood.

The nominee from Niagara is Ball's Falls Centre for Conservation, Niagara Region Conservation Authority.

Working with the design community, Wood WORKS! connects practitioners with resources related to the use of wood in commercial construction, assists in product sourcing, and facilitates the delivery of education and training. The project's mandate is to work toward changing attitudes and perceptions about wood use by communicating its attributes as a sustainable, cost-effective and innovative material (See www.wood-works.org for more information).

Wood WORKS! is an industry led initiative of the Canadian Wood Council.
