## **BOMA TORONTO**

*Established in 1917, the Building Owners and Managers Association of the Greater Toronto Area – BOMA Toronto – has grown along with the evolution of the institutional, commercial and industrial building sector. Its territory includes all of Ontario except for the Ottawa Capital Region. BOMA Toronto has grown to over 800 real estate professional members representing 80 per cent of all commercial and industrial real estate companies in the GTA and beyond. These individuals are the leading building owners, property and facility managers, developers, leasing agents, and service providers. BOMA Toronto is also prominent on the national and international stages. It is an affiliate of the 17,000-member BOMA International organization, a federated member of BOMA Canada, and the second-largest local BOMA Association in North America.*
