GreenSaver brings non-profit energy audits and green jobs to London

GreenSaver will celebrate the opening of its London office with a ribbon-cutting on Friday, March 26th. This new location will serve as GreenSaver's base in the London and SouthWestern Ontario, bringing energy audits and green jobs to the area. Representatives from GreenSaver will be available for interviews.

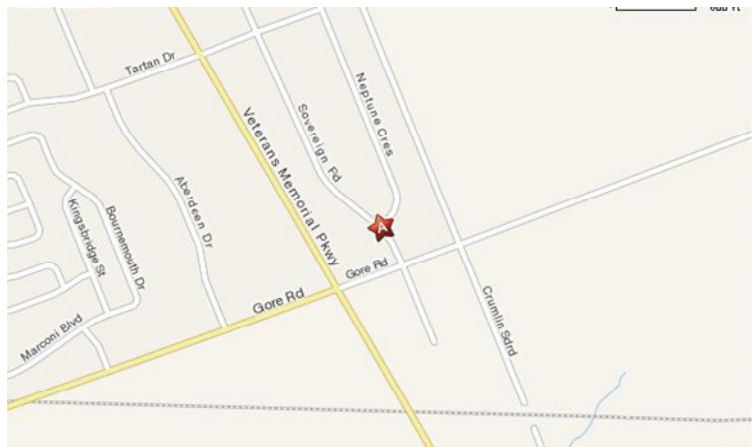

WHEN:

Friday, March 26, 2010

11:00 am

WHERE:

329 Sovereign Road, London, Ontario

For further information, please contact:

Allison Wallis, GreenSaver

416.203.3106 ext. 234 OR allison.wallis@greensaver.org

GreenSaver is an independent non-profit corporation dedicated to environmental energy efficiency through ecoENERGY assessments, insulation solutions, new technologies like solar and province-wide energy program management. They have pioneered Ontario residential energy conservation for 25 years with economically viable and environmentally friendly measures to help individuals and organizations with their energy needs (www.greensaver.org).
