Environmental Commissioner of Ontario to release third annual energy conservation report

The Environmental Commissioner of Ontario will release Volume One of his third annual energy conservation report. This year's report focuses on the government's progress on the conservation promises of the Green Energy Act in the three years since the Act became law.

WHEN: Tuesday, June 5, 2012 at 10:00 a.m.

WHERE: Room 149, Queen's Park Media Studio, Legislative Assembly of Ontario
Legislative Building, Queen's Park, Toronto, Ontario

The conference will also be available via webcast. To watch the live broadcast of the media conference, please visit <http://www.eco.on.ca/>. Please note the Commissioner will not be taking questions via webcast, but will be available for individual interviews after the news conference.

For more information or to schedule interviews, contact:

Maria Leung, Communications & Outreach Coordinator,
416-325-3371 or maria.leung@eco.on.ca.

For French language release and bilingual support, contact:

Jean-Marc Fillion, 705-476-9665.

- Media not currently accredited by the Legislative Assembly (Queen's Park) Media Gallery must register with the Press Gallery if they wish to participate in the conference. To register, contact Gerald Christopher, Press Gallery Coordinator – Room 387A or 416-325-7922 or gerald_christopher@ontla.ola.org.
- The full Report will be available in print, PDF and e-book (.epub) formats at 10:00 a.m. on June 5, 2012. To download the report, visit <http://www.eco.on.ca>.
- Pre-recorded remarks from the Environmental Commissioner will be available at 10:00 a.m. on June 5, 2012 at <http://www.youtube.com/user/EcoComms>.

Aussi disponible en français.
