## More Than Idle No More

*Join hereditary Chief Beau Dick on his march from Alert Bay to Victoria, B.C.*

In the spirit of cultural preservation, Beau Dick and his family will embark on a journey from their home on the northern tip of Vancouver Island to the Legislature building of B.C. in Victoria. There, a copper cutting ceremony will take place, symbolically breaking the chains that bind us, freeing our hands so that we may create a better future for our children. No matter age, race or location – each one of us has a part to play and only together we shall rise as one.
