All-Energy Canada:

All-Energy Canada is organised by Reed Exhibitions the world's leading event organizer, with 500 events in 41 countries and is held in association with the Ontario Sustainable Energy Association (OSEA) and the Canadian Solar Industries Association (CanSIA).

All-Energy Exhibition and Conference is the UK's largest renewable energy event which takes place yearly in Europe's energy city, Aberdeen. In 2013, 876 organizations exhibited and 500+ speakers took part at All-Energy events.

In 2014, All-Energy is expanding into Canada.

The free-to-attend exhibition in Canada will give attendees (over 2,000), delegates (500) and exhibitors (200) the chance to connect with key contacts in the alternative energy sector.

Already, a significant amount of the exhibit space has been contracted.

Media Partnership Opportunities:

This event is an opportunity to expand your local reach, as well as a chance for national and international exposure. A wide range of media partnership opportunities are available.

We would be pleased to discuss them with you or to hear your ideas to advance awareness and attendance at All-Energy 2014.
