

## MEDIA ADVISORY

For Release: IMMEDIATELY

Location: Toronto, Ontario

### **Adaptability Canada brings accessibility to The Buildings Show**

#### **What:**

Adaptability Canada, a leading commercial accessibility company, focused on serving large, complex public, private and non-profit organizations in Ontario and across Canada will be exhibiting at the annual Buildings Show in Toronto this month.

Adaptability Canada representatives will be on site at booth 2031 to assist attendees with their commercial accessibility renovation related questions. Representatives will also showcase accessibility products to help property managers, contractors and architects design and create accessible spaces for people with disabilities.

#### **When:**

Wednesday December 2, 2015 from 10:00am to 5:00pm

Thursday December 3, 2015 from 10:00am to 5:00pm

Friday December 4, 2015 from 9:00am to 1:00pm

#### **Where:**

Metro Toronto Convention Centre, South Building  
255 Front St West  
Toronto ON M5V 2W6

#### **Interview Opportunity:**

- Jeff Wilson, CEO, Age at Home Canada, a division of Adaptability Canada

#### **About The Buildings Show**

The Buildings Show is North America's largest exposition, networking and educational event. With over 1,600+ exhibits, including 100+ international exhibitors, The Buildings Show brings the latest in design and construction innovation in products, technologies, best practices and applications.

#### **About Adaptability Canada**

*Adaptability Canada is a national provider of accessible construction solutions to the residential, commercial, non-profit and public sectors. Partnered with leading Canadian companies, Adaptability Canada is the first company in the space to offer comprehensive accessible construction solutions that meet or exceed federal, provincial and municipal standards for accessibility.
