

Media Advisory

Environmental Commissioner of Ontario to release annual Energy Conservation Progress Report

Dianne Saxe, the Environmental Commissioner of Ontario, will be releasing her Annual Energy Conservation Progress Report and recommendations.

Topics covered in this year's Report, titled *Conservation: Let's Get Serious*, include progress on conservation and updates on target achievement in both the building and transportation sectors.

WHEN: Tuesday, May 31, 2016 at 10:00 a.m.

WHERE: Queen's Park Media Studio, Legislative Building, Queen's Park, Toronto, Ontario

The report and media release will be available online at eco.on.ca/reports/2016-lets-get-serious/ coincident with the media conference starting.

Media not currently accredited by the Legislative Assembly (Queen's Park) Media Gallery must register in advance with Gerald Christopher, Press Gallery Coordinator, 416-325-7922 or gerald_christopher@ontla.ola.org.

For more information or to schedule interviews, contact:

Don Huff, (O) 416-325-3377, (M) 416-805-7720, media@eco.on.ca

Aussi disponible en français.

The Environmental Commissioner of Ontario is the province's independent environmental watchdog. Appointed by the Legislative Assembly, the ECO monitors and reports on compliance with the Environmental Bill of Rights, the government's progress in reducing greenhouse gas emissions and its actions towards achieving greater energy conservation in Ontario.
