

Media Advisory

## **Environmental Commissioner of Ontario to release energy conservation report**

Dianne Saxe, Environmental Commissioner of Ontario (ECO), will release Volume One of her annual energy conservation progress report.

This report includes information about:

- electricity prices in Ontario
- demand for electricity, the surplus and what we do with it
- electricity market changes, and impacts on costs and greenhouse gas emissions
- sources of electricity, and impacts on the environment and human health
- long-term energy planning in Ontario.

**When:** Tuesday, April 10, 2018 at 10:00 a.m.

**Where:** Media Studio, Legislative Building Room 148, Queen's Park, Toronto, ON.

The report and media release will be online at [eco.on.ca](http://eco.on.ca) coincident with the media conference start.

**Note:** Media not currently accredited by the Legislative Assembly are welcome to participate. Please register in advance with Gerald Christopher, Coordinator, Press Gallery (416-325-7922 or [gchristopher@ola.org](mailto:gchristopher@ola.org)).

**Media contact:**

Ann Lehman-Allison  
Senior Manager, Communications & Outreach  
416-325-0142
