

ONTARIO TO SUPPORT FIRST NATIONS AND MÉTIS GREEN ENERGY OPPORTUNITIES

September 3, 2009

The Honourable George Smitherman, Deputy Premier and Minister of Energy and Infrastructure will make an announcement about initiatives to assist First Nations and Métis communities interested in renewable energy projects.

The initiatives help address key objectives of the Green Energy Act, including developing renewable energy, providing opportunities for First Nations and Métis, and encouraging economic development, including opportunities in northern Ontario.

Date: Thursday, September 3, 2009

Time: 6:20 p.m.

Location: Scandia Room
Valhalla Inn, 1 Valhalla Road
Thunder Bay, Ontario

The Minister will also be on-site and available to the media at 5pm.
