Tree Planting Event organized by Greensaver marking Hazel McCallion's 100th Birthday

Tuesday, September 28th from 9:30am – 12:30pm at Erindale Park in Mississauga.

Former Mississauga Mayor Hazel McCallion is a long-serving member of the Greensaver's Board of Directors. She turned 100 years old in February. As a sign of appreciation for her role on the Greensaver Board we promised to plant 100 trees in her honour. Due to the pandemic, the event was postponed until now.

What: Tree Planting Event marking Hazel McCallion's 100th Birthday and her commitment to Greensaver and environmental causes

**When: Tuesday September 28th, 2021 from 9:30 AM to 12:30 PM
With photo-op and appearance by Hazel McCallion starting at 11:00**

Where: Erindale Park, 1695 Dundas St W, Mississauga, ON L5C 1E3

This event is about Hazel, her Century Celebration coincident with Greensaver marking our 30th year anniversary *of helping the residents and small businesses of Mississauga and across the province reduce their energy bills, fight climate change and make their homes more energy efficient and comfortable.*

-30-

Greensaver is Ontario's leading non-profit energy conservation organization. For over 30 years, we have helped thousands of homeowners, renters, and small businesses reduce their energy consumption and overall utility costs with our dedicated team of energy experts. Through our efforts, we have helped over 100,000 homeowners, renters, small businesses, and housing providers reduce their energy consumption, overall utility costs, and generally improve their lives. We deliver energy efficiency programs for government agencies, utilities and other clients, serving thousands of individual customers.
